

Dear Classroom Parent,

The beginning of the fall school term is the time to plan our classroom parties for the year. All parties for the elementary grades will be held at 2:45p.m. on the last day of school nearest to the holiday. Your interest and help with this phase of your child's school program is very much appreciated. If you wish to provide refreshment for one of these parties, would you please check below. Your classroom teacher will contact you closer to the holiday you have been chosen to help with.

Thank You.
