This years junior high winners were eighth grade, Lance Teeter and Lizzie Shepherd and the high school winners were the senior class, Cade Parkhurst and Jessie hall. After the final cleanup, buses and cars headed out to class parties at the Maze in Weatherford.

AB Hosts Field of Faith

Wednesday Oct. 11, Arapaho-Butler hosted Fields of Faith, a national FCA event. Students from Arapaho and five other schools/churches attended and enjoyed fellowship, worship, and tailgating. We had a local band from a Clinton church. Our speaker for Fields of Faith was Ryan Young, a local pastor. The event was successful and had an amazing impact on students from all schools!

Junior Supper

Last Friday was the school carnival, and the junior supper. They were both a huge hit! We served pulled pork sandwiches, potato salad, beans, chips and a drink. Everyone said that they loved the food! Thank you Jon Waldrop for making the pulled pork, it was delicious! Thank you for coming out and supporting the junior class!

The team also will have a triad this month at Canton, but the specific date and time has yet to be announced.

Senior Spotlight of this week is Treyson Williams (Daddy). His extracurricular activities include baseball, basketball, hunting, and fishing. His future plans include to go to SWOSU or possibly OPSU, major in physical education or parks and recreation. Later on in his life he will live in the hood with his Gangster babies and design "Daddy" hats. His favorite quote states "The only real power comes out of a long rifle." -Joseph Stalin. His advice to underclassmen is that school not great up until you are a senior, then you just don't care anymore.

Senior spotlight for this week is Wyatt Sullivan (Slim Shady). His extracurricular activities include basketball, academic team, and F.C.A. His future plans include attending college and his major hasn't yet been decided. His favorite quote states "Before you judge someone, try walking a mile in their shoes." - Eminem. His advice to underclassmen is don't procrastinate (especially on essays), be yourself, and enjoy high school.

Congratulations Dixie Williams on winning the T-shirt Quilt from the senior class raffle.
