

Arapaho-Butler Athletics Ad Sales

Dear Parent, Family, Friend or Community Member,

The Arapaho-Butler Athletic Department would like to present a unique win-win opportunity to you. We would like to invite you to become a partner in supporting the Arapaho-Butler athletic program.

Arapaho-Butler is a progressive community that has invested in a state of the art basketball facility. Our facility is equipped with a graphic video board like you would see at in many college venues. The sign has been a great way to communicate with the community. It is our hope that advertising purchased by businesses will benefit the advertisers, as well as the Arapaho-Butler athletes.

We are asking for a \$300.00 donation and in return, we will create an ad or special message to scroll at every game held in the Arapaho-Butler High school gym. There will be approximately 60-70 games, 2 tournaments, and this will also include any playoff games hosted at Arapaho-Butler. This is a very cost effective way help drive your message home in a memorable way. Your company's name flashing on led sport board can help people to remember your company.

The Arapaho-Butler athletes rely on the money earned by our fundraising efforts. By donating to our program you will be helping to pay for the fees, equipment, uniforms and awards associated with the sports program. Our goal is to maintain the sports already in place for many years to follow. This donation campaign will help us to do this.

Thank you in advance for supporting the Arapaho-Butler Athletic Program!
